

The Housing Authority invites you to attend a:

Virtual Neighborhood Meeting

to learn about our plan to upgrade public housing in your neighborhood, ask questions, and share your thoughts and suggestions.

OVERVIEW

The Housing Authority of the City of Eureka is “repositioning” or improving the properties they own and manage, which could include upgrading housing or building new housing.

The purpose of this meeting is to review the goals of the Repositioning Plan, projected construction timelines, and draft building plans as well as discuss its impacts on residents and neighbors. The Executive Director of the Housing Authority will be in attendance to help answer your questions and hear your concerns about the process.

This meeting is intended for neighbors within a 3-block radius of our 3107 Prospect Avenue and 1115 C Street properties, including our residents. Meetings for the greater community will be scheduled soon.
