

Housing Authority of the City of Eureka

A Discussion with the Housing Authority: Plans to Upgrade our Property on the Corner of C and Clark Streets

Listening Session Key Takeaways

04/17/2024

Note: This online virtual meeting included a brief group discussion and a series of polls, which were used to collect input from the community. The feedback is summarized below.

Poll Results

- About 85% of community members would like more affordable housing units.
- About 60% of community members would like more rental assistance programs.
- About 70% would like to remove barriers to homeownership and about 70% would like to see the redevelopment of underutilized properties.
- Community members expressed an interest in a variety of housing styles, including Victorian style homes, modern-style homes, or a blend of styles with natural colors, foliage, and grouped buildings.
- Community members were most interested in secure entry, outdoor lighting, and accessibility options.
- Community members were most interested in the following features in communal areas: benches, dog area, and community garden, followed by barbeque/picnic area, native landscaping, and open greenspace.

Discussion

Interior Spaces

- Community members wanted more kitchen counter space, windows, and on-site washer and dryer units
- Community members wanted walk-in showers for seniors, elevators, ramps, and other accommodations for seniors and people with disabilities

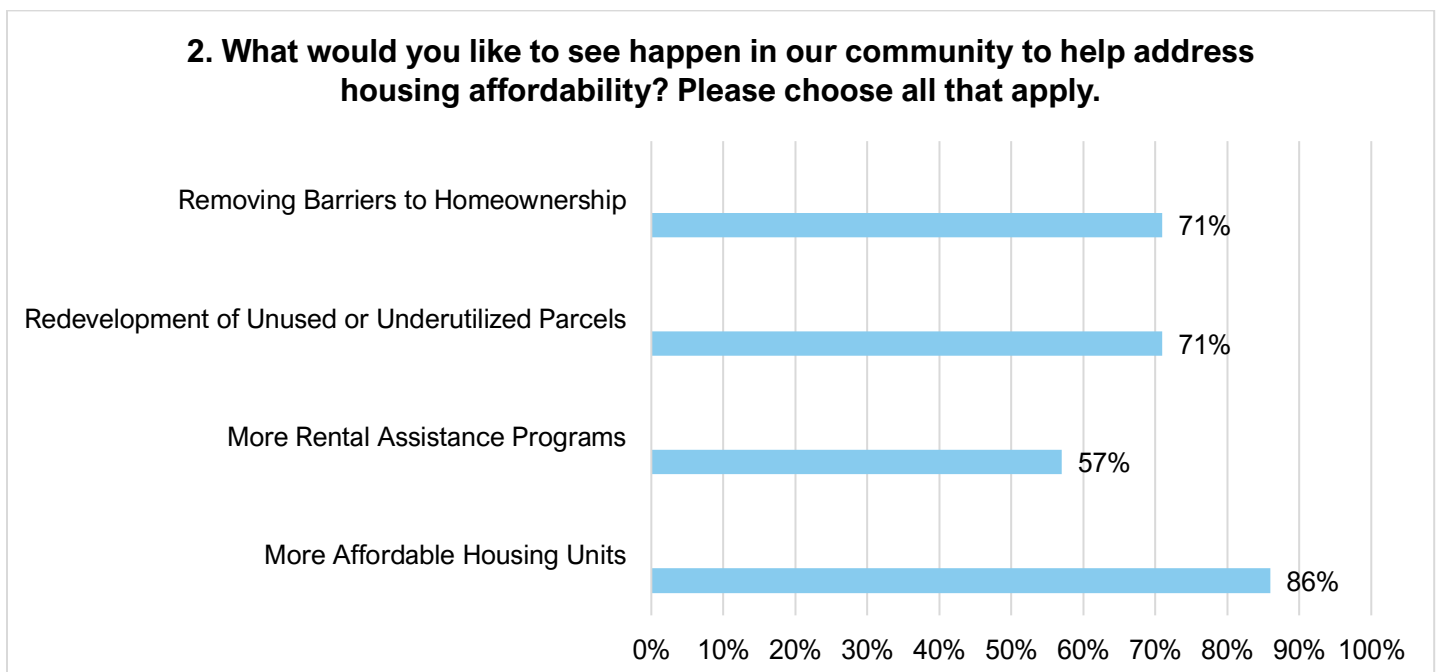

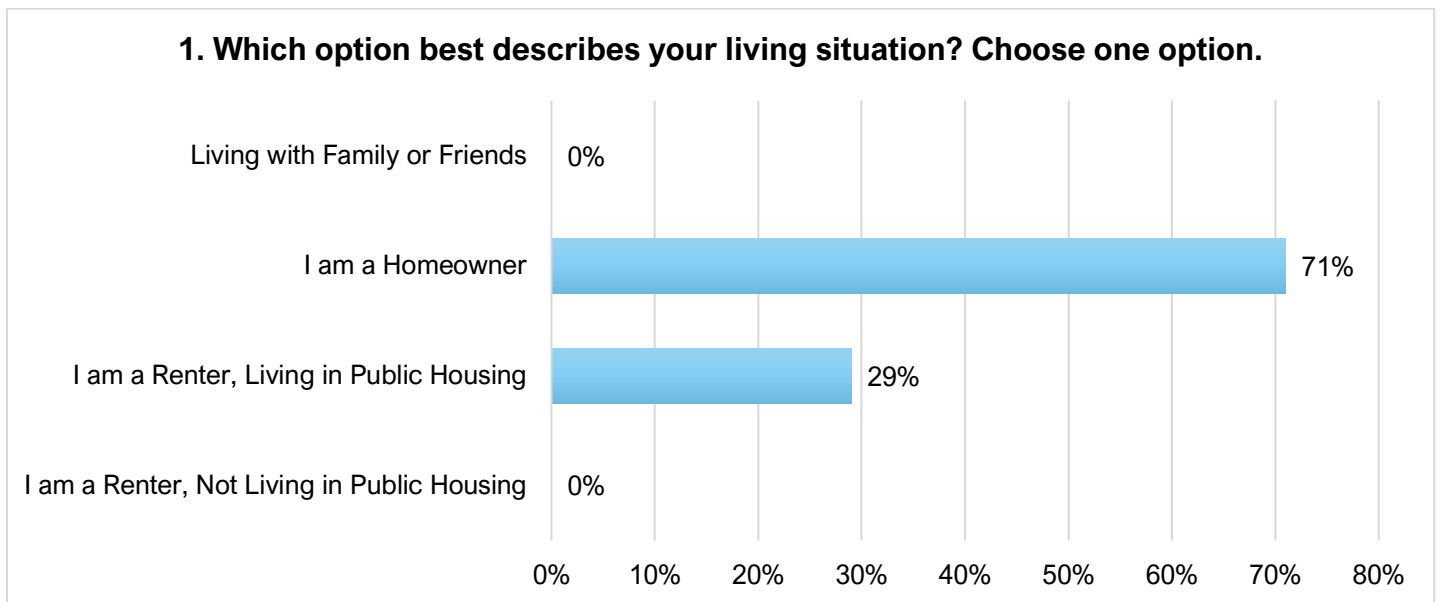

Exterior Spaces

- Community members wanted electric vehicle chargers, more parking, and secure motorcycle parking
- Community members wanted better outdoor landscapes and spaces, including a community garden, rooftop garden, private gardens, and adequate lighting
- Community members wanted gathering spaces
- Community members wanted access to public transportation, such as a bus stop

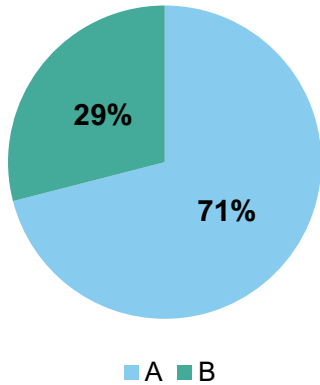

Housing Authority of the City of Eureka Virtual Community Meeting Poll Results, Q&A, and Comments
