Repositioning Background

Why do we need “Repositioning”?

Federal Public Housing funding to provide affordable housing is unsustainable

Not enough affordable housing in Eureka

Reposition: Convert from Public Housing to Section 8 funding

Rehabilitate: Upgrade existing housing

Reinvest: build new housing

Currently: 195 Public Housing units
Projected Total: 350 Section 8 units

Repositioning Plan Timeline

Things to remember

- Only two phases are currently in process
 - Hiler Street (aka “Green Phase”)
 - C & Clark Street (aka “Blue Phase”)
- Development takes time!
 - Working on a master plan for main site (Harris, Prospect, Burrill, Elizabeth)
 - Intent is to reposition ALL sites eventually

No matter where you live, you will be given plenty of notice before anything happens!

Relocation

Relocation on a nondiscriminatory basis

- You will be offered comparable housing
- Transfer unit will meet HQS (Housing Quality Standards)
- Relocation unit will be in an area generally equivalent to the area in which you currently live
- Housing will be offered without regard to any protected classes
- For anyone with disabilities, comparable housing should include similar accommodations

Relocation assistance

- Relocation assistance will include:
 - Transfer to another Public Housing unit, if available and desired
 - Tenant Protection Vouchers (Section 8) to find private rental, if desired
 - Moving costs are FREE to residents
 - Movers will also box up and unpack for residents for FREE upon request
- We will attempt to **minimize displacement** as much as possible
- Any eligible resident relocated will have the **right to return** to a unit in the completed project
- Residents will receive at least **90 days' notice** of any required move

We will work with you and help as much as possible!
