WWW.EUREKAHUMBOLDTHA.ORG

April 1, 2026

Dear Residents,

This letter is to provide notice of a change to trash service at the property.

Due to changes in our trash service arrangement and increased costs from Recology, the common debris bin located at the office will be removed effective May 1, 2026. Unfortunately, the additional debris bin service is no longer financially sustainable for the property to continue providing.

Each unit will continue to receive their regular trash service using the provided container. All household trash must fit inside that container with the lid closed.

If you need additional trash service, you may contact Recology directly to arrange for an additional container or extra pickup service at your own expense.

Recology

Phone: 707-442-5711

Website: <https://www.recology.com/recology-humboldt-county/eureka/>

Trash left outside containers or at the former debris bin location will be considered improper disposal and may result in a lease violation and charges to your account.

We understand this is a change from the current service and appreciate your understanding as we work to manage operating costs and maintain the property.

Sincerely,

Housing Authority of the City of Eureka

707-443-4583
